

Lace in the 21st century

Gabriela Avram

Is lace-making disappearing?

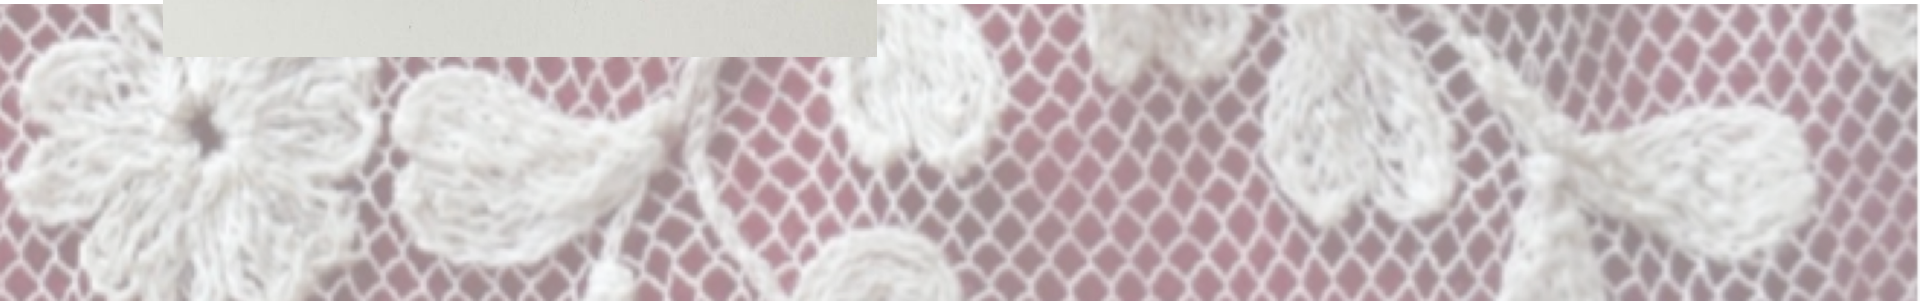

- The answer is NO!
- A lot of lace-making groups and artists are active in Ireland and internationally
- There's an acute lack of teachers and guidance
- Lace-making is taken on and transformed by many artists

How do we document contemporary lace?

- Can we create a catalogue of lace made in Ireland or inspired by Irish lace traditions?
- Possible ways:
 - Submitting work directly
 - Collecting work via a social media hashtag
- Finding funding for hosting and curating such a digital catalogue
